

MEN'S CAPTAINS REPORT FOR 2024 ANNUAL GENERAL MEETING

10th October 2024

Hello Members,

As Captain of Belvoir Park Golf Club, it gives me great pleasure to present this Captain's report for 2024 to our members. The past year has been a remarkable period for our club. Firstly, we held a number of exciting events, including the Victorian girls and boys junior event, Palliative Care Day, Foodshare Day thanks to Bendigo Toyota and finally our Christmas Bonanza Day. These events were all held very close together and all events had great field numbers.

The club has also faced a major change this year, when as we headed into the new year the club found out we would no longer be able to use Slice Golf for our competitions and would need to find another option. Many thanks need to go to Nick Turner for the amount of time he spent on changing over to our new golf competitions system. OneGolf, MyScore and 1 tee hit-off were all introduced and after a few hiccups the process has been a positive for our club.

Competition numbers are up by 10% and we have had several Saturdays where green fee players have been able to utilise our course a lot earlier than before, so thank you to our members for their support through this transition period.

Golfing Highlights:

This year, we hosted numerous club events, competitions, and championships that showcased the remarkable talent and passion of our members. Their dedication and sportsmanship have set a fine example for all of us.

Firstly, huge congratulations to our Open Division Pennant team, who won their division in pennant earlier this year.

Secondly, we have had many standout performances in our gold letter events this year. One of our club's major events, the club championships were fiercely contested, with Ben Tatt coming out victorious as the Club Champion.

Our congratulations also to Peter Jenkins for winning the B Grade Championship and Ryan Mullholland for taking both the C Grade and Junior Champion titles.

The Vi Turner Mixed Champions were Jazy Roberts and Matt Alston, while Mark Perry and John Kerr triumphed as Bob Crosbie Men's Champions.

Paul Rohan won the A.R. Michell, and Oliver Scoles claimed the Founders Cup. At the time of writing this report, the Edgar Harrison Singles and Doubles events are yet to be contested.

Course Development:

Our golf course remains one of the finest in the region, and this year we have continued to invest in its upkeep and improvement. I would like to thank Dylan Knight and the entire grounds keeping team, as well as all of the volunteers for their tireless efforts in maintaining our course in pristine condition. The feedback from members and visitors alike has been overwhelmingly positive, particularly regarding our presentation of the course each week.

Looking Ahead:

As we look toward the future, I am confident that Belvoir Park Golf Club will continue to thrive.

I would like to thank the Committee, the staff, and all the volunteers who have worked tirelessly to support the club's operations. Your dedication and hard work do not go unnoticed and are deeply appreciated by all.

In particular, a huge thank you to my vice-captain, Nick Turner, for all of his efforts in not only helping each Saturday but also ensuring that all of the changes to our golf club's competition systems have gone as smoothly as possible.

In conclusion, it has been an honour to serve as Captain of Belvoir Park Golf Club this year. I look forward to the continued success of the club and to sharing more wonderful moments with each of you on and off the course.

Finally, a heartfelt thank you to all the members for your unwavering support. Together, we will continue to uphold the traditions, values, and community spirit that make this club so special.

Yours sincerely,

Geoff Adamson
Captain, Belvoir Park Golf Club
